RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included.
In order to achieve this, we have a few simple rules we'd like our runners to follow:

- Be considerate and respectful to other runners, race staff & members of the public.

- Refrain from demeaning, discriminatory or harassing behaviour and speech.

- Be mindful of your surroundings and your fellow participants.

-Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

From the event village runners will be walked to the start line.

There will be a warm up held in the event village 15 min before the start of each race, from here we will be calling runners to line up in pace order.

Please listen out for and follow our MC and marshal instructions ahead of your race.

DURING THE RACE

There will be marshals all around the course as well as distance signs and arrows.

Please count your own laps.
Half Marathon - 5 Laps (Black signs 1-13)
Marathon - 11 Laps (Yellow signs 1-26)

Due to the nature of a lapped course we ask that you remain to the left of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your right and ensure not only the safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

*Please note - This event takes place on public paths that may also be used by pedestrians. While every effort is made to manage shared use areas and ensure runner safety, including signage and marshal presence, we kindly ask all participants to remain aware of their surroundings throughout the race.

SiS gels will also be provided at the water stations. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

Please drain and discard all litter and bottles within the signed litter zone, shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

WATER STATIONS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water and nutrition/gels to help you stay hydrated and fuelled before and during the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

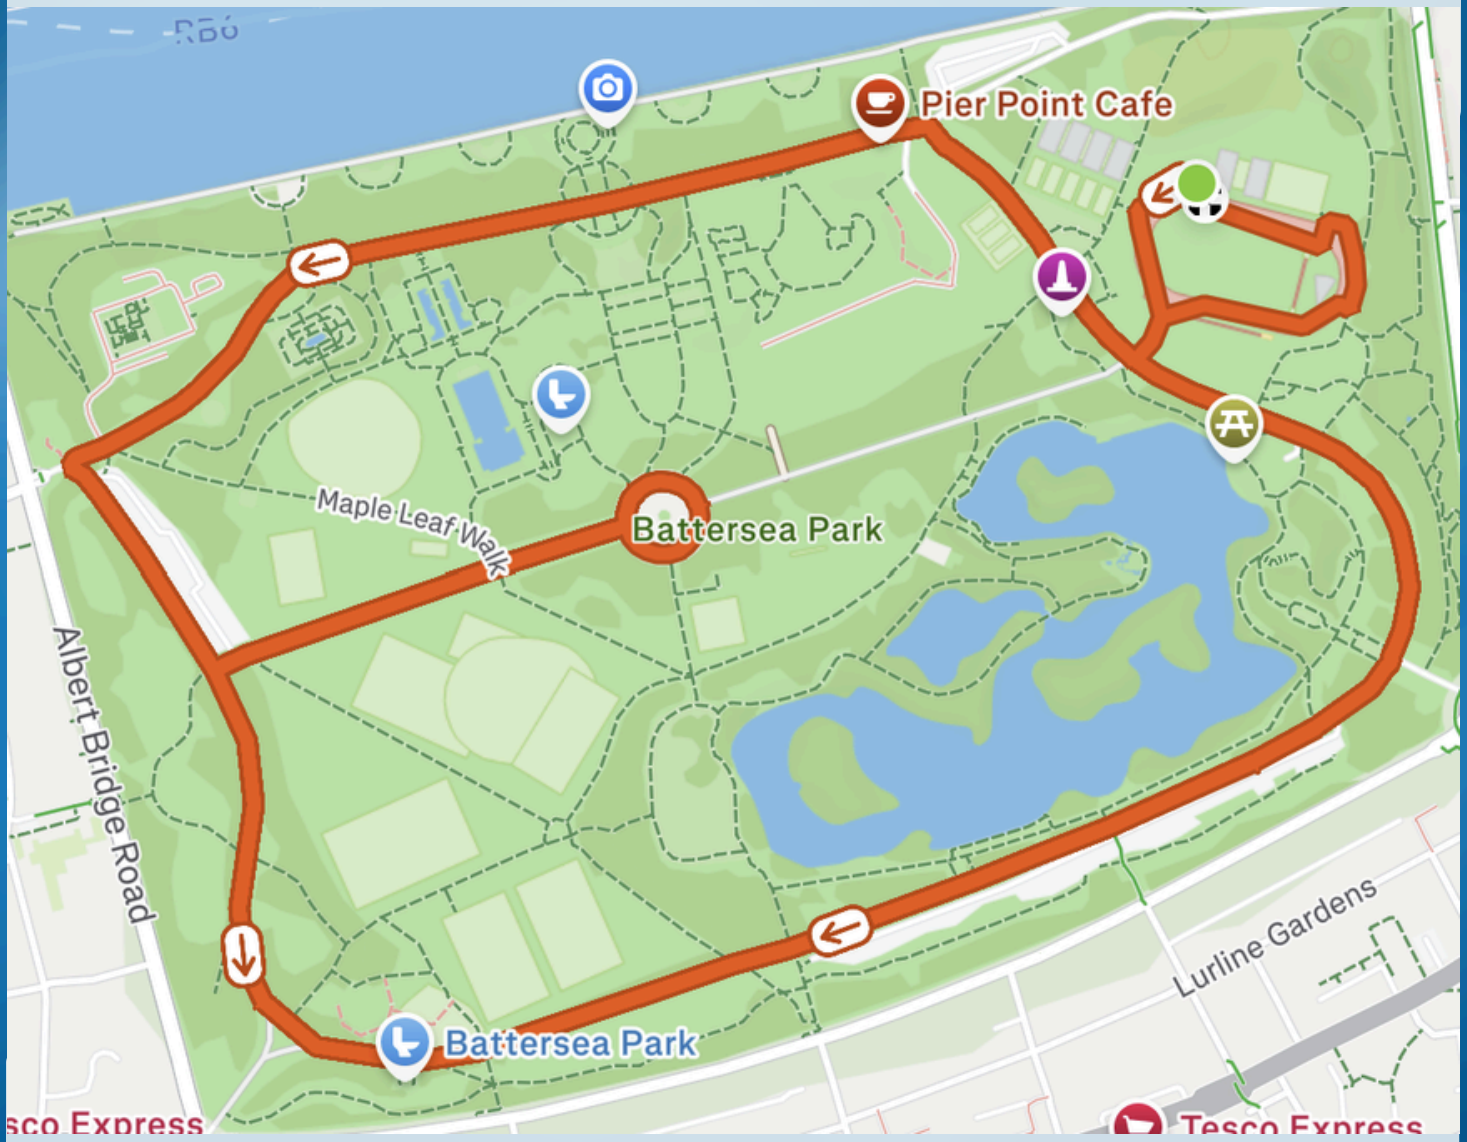

LOOK OUT FOR THE LITTER ZONE SIGNAGE!
