RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included. In order to achieve this, we have a few simple rules we'd like our runners to follow:

- **Be considerate and respectful to other runners, race staff & members of the public.**
- **Refrain from demeaning, discriminatory or harassing behaviour and speech.**
- **Be mindful of your surroundings and your fellow participants.**
- **Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.**

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race.
From here, we will call out estimated finish times to get all runners lined up and ready to run.

DURING THE RACE

We will have marshals around the course and directional arrows and distance signs.

Half Marathon Runners - Yellow Mile Signs - Out & back + 4 Laps

10k Runners - Green KM Signs - 2 Laps

5k Runners - Red KM Signs - 1 Lap

At the end of each lap, our marshals will be in position to direct you either onto your next lap (straight on) or into the finish (left into the event village).

Due to the nature of a lapped course we ask that you remain to the right of the path at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake to have a clear path on your left and ensure not only your safety but allow for the best experience throughout the race.

Please also be aware that we will have a safety bike ahead of the lead runner to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

*Please note - This event takes place on public paths that may also be used by pedestrians and cyclists. While every effort is made to manage shared use areas and ensure runner safety, including signage and marshal presence, we kindly ask all participants to remain aware of their surroundings throughout the race.

Please drain and discard all litter and bottles within the signed litter zone, shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

WATER STATIONS

There will be a water station on each lap of the course.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own drinks to stay hydrated leading up to the event.

LOOK OUT FOR THE LITTER ZONE SIGNAGE!

THE FINISH LINE

Please continue walking through the finish funnel to collect your medal and all your post-race goodies!

These will consist of a bottle of water and snacks from our sponsors.
