Wetwheels Foundation are the official charity of the year for Run Southampton 2026!

At Wetwheels, we are thrilled to be the official Charity of the Year for Run Southampton. We make the sea accessible, by providing exciting, barrier-free boating experiences open to all disabled people on board specially-built powerboat catamarans, from our UK coastal bases - including Hamble and Portsmouth.

For many of our participants, accessing the open water is something they never thought possible. By supporting Wetwheels you are helping us keep our custom-built, fully accessible boats on the water, ensuring that everyone - regardless of their impairments - can take the helm and experience the joy of the sea.

"There is something very special about being on the water. For a disabled person, being at sea offers unparalleled freedoms. Your mind and imagination fill with things that didn't seem possible." - Geoff Holt MBE DL, Founder of Wetwheels.

RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included. In order to achieve this, we have a few simple rules we'd like our runners to follow:

- **Be considerate and respectful to other runners, race staff & members of the public.**
- **Refrain from demeaning, discriminatory or harassing behaviour and speech.**
- **Be mindful of your surroundings and your fellow participants.**
- **Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.**

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

We will have a warm up in the event village 15 minutes prior to the start of each race.

From here, we will call out estimated finish times to get all runners lined up and ready to run. Please note, each race starts in a different location, please ensure you listen out for mc instructions to guide you to your start.

DURING THE RACE

There will be marshals all around the course as well as distance signs and arrows.

Half Marathon Runners - follow yellow Mile markers 1-13 (4 Laps)

10k Runners - follow green KM markers 1-9 (2 Laps)

5k Runners - follow red KM markers 1-4 (1 Lap)

Due to the nature of the lapped route, we ask that you remain to the left of the road at all times unless otherwise instructed by signage or a marshal. This will allow for anyone needing to overtake or pass to have a clear path on your right and ensure not only everyone's safety but allow for the best experience throughout the race.

Please drain and discard all litter and bottles within the signed litter zone, shortly after the water station on each lap. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

Please note there is a 3hr cut off on this event due to road closures in place. If you think you'll take longer than this time, please email info@runthrough.co.uk to discuss your options.

WATER STATIONS

There will be a water station on each lap of the course. Please help yourself to this as you pass.

There will be a bottle of water waiting for you at the finish line.

We recommend bringing your own water and nutrition/gels to help you stay hydrated and fuelled before and during the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.
