RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included.
In order to achieve this, we have a few simple rules we'd like our runners to follow:

- Be considerate and respectful to other runners, race staff & members of the public.

- Refrain from demeaning, discriminatory or harassing behaviour and speech.

- Be mindful of your surroundings and your fellow participants.

-Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

30 minutes before the Half Marathon start, runners will be walked over to the start line and guided in a warm up.

20 minutes before the 10k start runners will have their warm up by the start line in the event village.

15 minutes before the 5k start runners will also be walked over to the 5k start line to do a warm up and begin their race.

PLEASE NOTE- The 5k & Half Marathon start lines are a short walk from the event village, please arrive with enough time to walk over with us.

DURING THE RACE

We will have marshals all around the course as well as distance signs and arrows.

Please keep count of your laps during the race. The course is on the paths in the park:
Half Marathon - 6.75 laps (7 Times past the water station)- Yellow Mile signs 1-13
10k - 3 laps (3 Times past the water station) - Green KM signs 1-9
5k - 1.5 laps (1 Time past the water station) - Red KM signs 1-4.

***Please note - This event takes place on public paths that may also be used by pedestrians. While every effort is made to manage shared use areas and ensure runner safety, including signage and marshal presence, we kindly ask all participants to remain aware of their surroundings throughout the race.**

Due to the nature of a lapped course we ask that you remain vigilant to other runners and keep left at all times. This will allow for anyone needing to overtake to have a clear path on the right and ensure not only your safety but allow you the best experience throughout the race.

Please also be aware that we will have a bike ahead of the lead runner of each distance to prevent any collision around the laps. They will be vocal when coming towards you from behind so be sure to listen out for any additional instructions.

Please drain and discard all litter and bottles within the signed litter zone, shortly after the water station. There are no road sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

WATER STATIONS

There will be a water station on each lap of the course.

SiS gels will also be provided at the water station. If you choose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

There will also be a bottle of water waiting for you at the finish line.

We recommend bringing your own water to stay hydrated in the lead up to the event.

LOOK OUT FOR THE LITTER ZONE SIGNAGE!
