Windsor is served by two train stations, Central and Riverside. Both are situated a few minutes walk from the Event Village.
First Great Western operates services from London Paddington, change at Slough onto the branch line that links with Windsor & Eton Central.
South West Trains operate from London Waterloo to Windsor & Eton Riverside.
Please check train times in advance as Sunday services may be limited.

Windsor is 30 miles west of London and is accessible via the major motorway networks: from M3 exit at Junction 3; from M4 exit at Junction 6; from M25 exit at Junction 13 and from M40 exit at Junction 4 or Junction 2.

Unfortunately, due to the recent rainfall and further rain forecast ahead of the event, the field that was due to be used for event parking is no longer suitable for vehicles and will therefore not be available on Sunday.

RACE DAY ETIQUETTE

At RunThrough we are massive advocates that running truly is for anyone. Whatever your ability, gender, age or ethnicity, we're here to support you.

Whilst at a RunThrough event, we hope you feel safe, encouraged and included.
In order to achieve this, we have a few simple rules we'd like our runners to follow:

- Be considerate and respectful to other runners, race staff & members of the public.

- Refrain from demeaning, discriminatory or harassing behaviour and speech.

- Be mindful of your surroundings and your fellow participants.

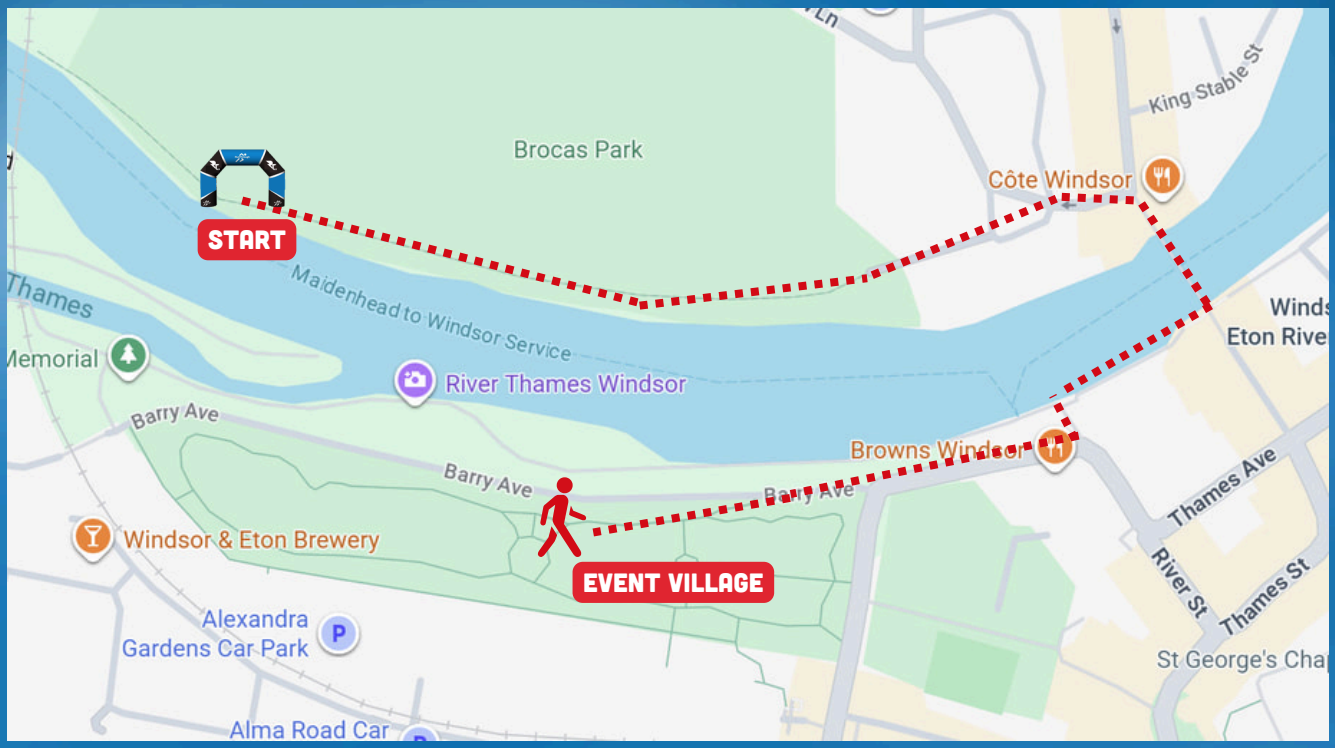

-Help us keep the course pleasant for everyone by refraining from pushing, spitting and littering.

If you see or experience anything that challenges these or makes you feel uncomfortable, please don't hesitate to visit our Information tent or speak to a member of our team. (We can be found in Blue High-vis jackets!) Or if you prefer you can email us at info@runthrough.co.uk.

We're always available to deal with any issues, offer support or simply just have a chat! We're on hand to ensure everyone has the best race day experience possible and feels supported throughout the day.

WARM UP & RACE START

30 minutes before the start of each race there will be a group warm up in the event village. We will then call out estimated finish times to walk runners to the start. Please note this is 800m (10minute walk) from the event village- Shown on the map below.
Please listen out for marshal and MC instructions to get lined up ahead of the race.

DURING THE RACE

We will have marshals all around the course as well as directional arrows and red trail flags.

This scenic course is run on a combination of trail paths, roads, public footpaths and grass. Please wear appropriate shoes for mixed terrains.

Please note there will be road crossings and gates along this route, it is vitally important you listen out for any marshals instructions throughout. Although on quiet lanes, all roads are open to cars throughout the day, and paths are open to the public to use.

Please keep to the right of the path at all times to allow runners to overtake if they wish.

Please drain and discard all litter and cups within the signed litter zones, shortly after the water station. There are no council sweepers, our event team picks up all litter by hand, so please help them to keep the course litter free for other runners and the local community.

A limited number of SiS gels will also be provided at the 2nd Half Marathon water station. If you chose to take a gel or provide your own, please retain the packets and tear off tops on your person, or discard within the bins provided. With respect for the marshals, venue and environment, littering of any kind won't be tolerated.

WATER STATIONS

There will be water stations at approximately 5k on the 10k route, and at 4mi, 6mi & 10mi on the Half Marathon, these will provide cups of water. We advise bringing your own bottles/water to take along the course.
There will also be water refill stations waiting for you at the finish line.

We recommend bringing your own water and fuel to stay hydrated before and during the event.

Please note, headphones are not permitted, unless bone conducting. Should you choose to wear these, we ask you keep the volume low in order to remain aware of your surroundings at all times and can hear any marshal instructions during the race.

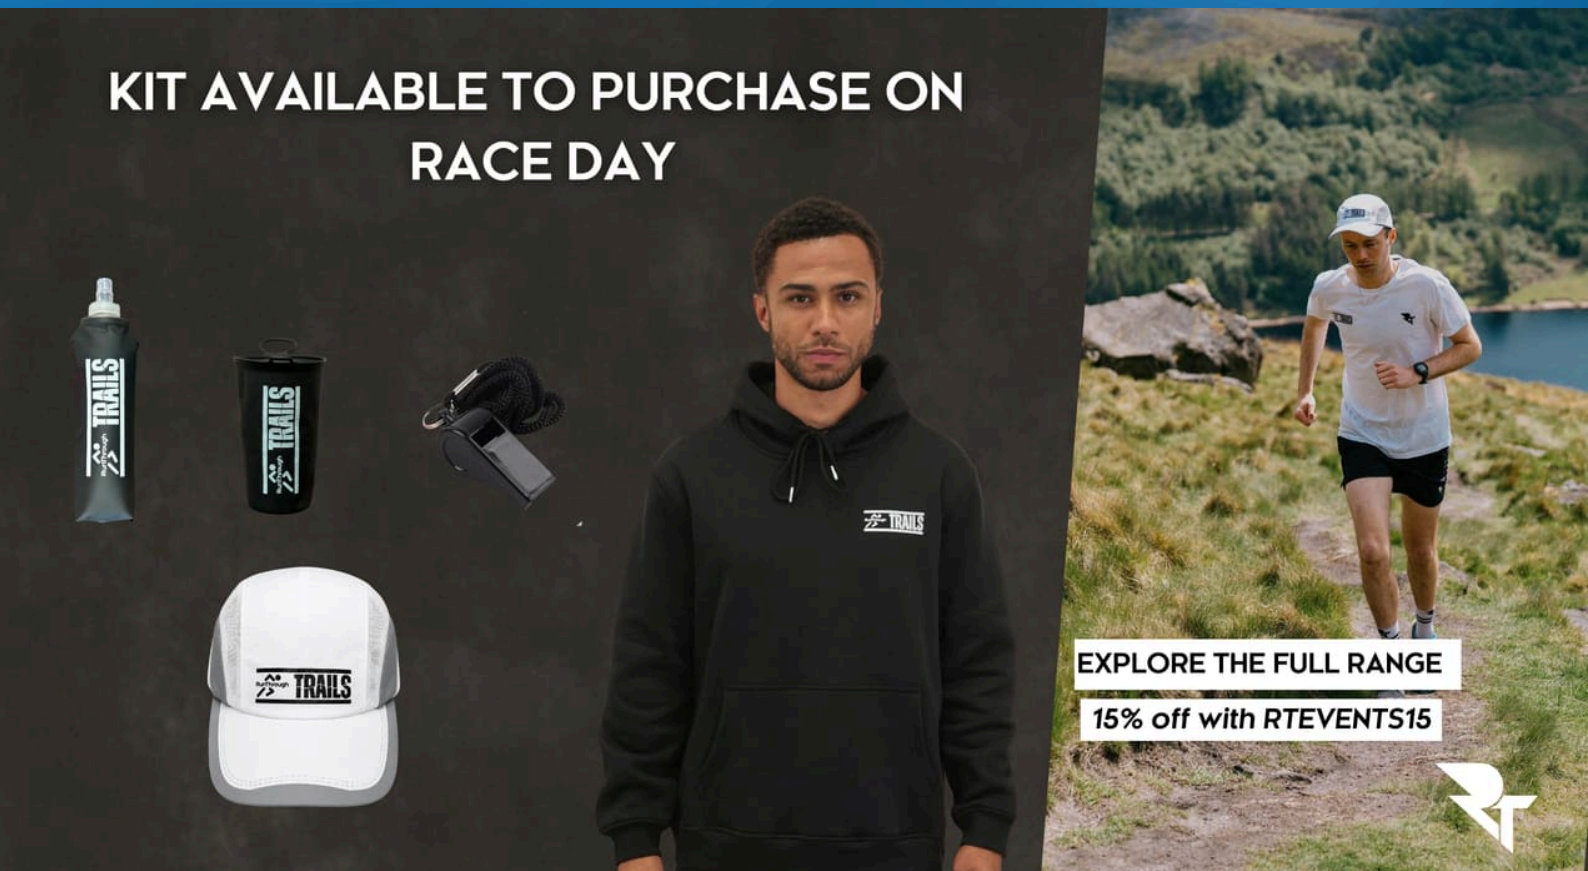

LOOK OUT FOR THE LITTER ZONE SIGNAGE!
